Journal of Comparative Physiology

A. Sensory, Neural, and Behavioral Physiology

B. Metabolic and Transport Functions

Founded in 1924 by K. von Frisch and A. Kühn, Volumes 1–29 (1934) under the title "Zeitschrift für wissenschaftliche Biologie, Abt. C: Zeitschrift für vergleichende Physiologie". Volumes 30–76 (1972) published as "Zeitschrift für vergleichende Physiologie". Volumes 77–92 (1974) published under the title "Journal of Comparative Physiology". Beginning with Volume 93 (1974) the journal is called "Journal of Comparative Physiology; Section A. Sensory, Neural, and Behavioral Physiology; Section B. Metabolic and Transport Functions".

The exclusive copyright for all languages and countries, including the right for photo-mechanical and any other reproductions, also in microform, is transferred to the publisher.

The use of registered names, trademarks, etc. in this publication does not imply, even in the absence of a specific statement, that such names are exempt from the relevant protective laws and regulations and therefore free for general use.
